

These two pictures show our former Carleton student, Michael Shawaryn with his 4<sup>th</sup> and 5<sup>th</sup> grade teachers and our principal, Ms. Shockley as well as him standing next to his physical fitness record in gym class from 2006. On December 23, Mike Shawaryn visited Paul W Carleton School to talk about the importance of getting a good education and goal setting as part of the "Carleton Success Stories" series at the elementary school. Mike currently attends the University of Maryland on a baseball scholarship and is projected to be a first round draft pick in this June's Major League Baseball Draft. He shared his personal story of goal setting and the importance of accountability as a student athlete as a way to accomplish goals in life. Mike was a student at Carleton in 2005 and 2006.
