

African American History Presentation 2/28/17

On Friday, February 24, 2017 Penns Grove Middle School students celebrated the contributions of African Americans during a Black History program. The program highlighted influential scientist, musicians and scholars and featured video clips that gave an historical overview of the 1930's 1960's and 1990's. Students reenacted a Jackson 5 performance of "I Want You Back." They also rendered a selection by Ray Charles of "Night & Day" as seen on the 1980's sitcom The Cosby Show. A seventh grade student even sang "Honeysuckle Rose" a 1930's song composed by Fats Waller. In addition to students, parents and the Human Resources Manager from Chemours were in attendance.
