

## PGMS Gear Up College Panel Assembly

New Jersey Gear Up hosted a College Panel at PGMS on Wednesday January 4th of this year. This interactive assembly was for 7<sup>th</sup> and 8<sup>th</sup> graders. College students representing Rutgers University, Rowan University, Stockton University, Hampton University and Salem Community College spoke with PGMS students about their journey getting accepted into college and their experiences with college life.

PGMS students were able to ask questions to the panel and gain a new perspective of what the college experience is all about. It was a wonderful even that we hope to do again in the near future.
