

## Salem County Science Fair 03-3-2017

Penns Grove Middle School students participated in the Salem County Science Fair on 3/3/2017. The event was held at the Salem Community College and was open to all Salem county students grades 5-8. Popular topics of projects were electricity, rate of growth of plants in different environments, and solar energy. Students were able to view projects from all over the county. Mr. Elwell, science teacher at PGMS and Ms. Herman, supervisor of Math & Science for PG-CP School District are pictured with PGMS students.
