

PGMS Student Council Thanksgiving Baskets

The PGMS Student Council hosted a Thanksgiving Basket Food drive to help local families in our community. We had an overwhelming response from our students and staff as well as parents and local businesses. There was enough food collected to provide a complete dinner with all the fixings to 7 deserving families for Thanksgiving. The students as well as staff members were very proud of this event because they were giving back to the community that they live in and now have a greater understanding of the gesture of paying it forward.
