

Freeholder Julie Acton visits Field Street School as the students celebrate farm to school week with a peach tasting! Each student in FSS had the opportunity to taste a piece of a peach in class. Later, each student was offered a whole peach to eat with their lunch in the school cafeteria.

Julie Acton and Alex from the Rutgers Extensions Office show off some of the sliced peaches.

Alex leads a farm to school lesson for Mrs. Brayerton and Mrs. Mann's classes.

Alex conducts an intentional read aloud prior to the peach tasting.
