We have been working on a variety of components related to reading.

Table of Contents, Index, Glossary, Captions, characters, plot, setting, problem and solution ...

These are the buzz words that you'll hear in our classrooms.

Math

Adding, Subtracting, Decomposing, Composing, Fact Families, Story-Problems...

Just a few vocabulary words we use in our math lessons.

Health

Ms. Pennington has made her way through our classrooms with a lesson about apples and treating us to a cooking experience that ended with a tasty treat.
