

# Field Street Grade 1 News

---

## November 2015

**1<sup>st</sup> graders have busily worked on a variety of phonetic patterns. They are doing their best to become “OWL”standing readers.**

**Math lessons have included lots of addition and subtraction strategies.**

**They are following current events and have done a great deal in the garden...harvesting 118 sweet potatoes grown from just 2 potatoes!**

**Our little farmers have planted some cold weather crops and are looking forward to picking and eating them !!!**

**Please check out our photos from some of our events !!!**
